

Call for Vendors

for the
**9th Annual Joint
RMWEA/RMSAWWA
Student Conference**

at the
**University of Colorado at Boulder
Hellems Building
March 3, 2012**

The 9th Annual Rocky Mountain Water Environment Association (RMWEA) and Rocky Mountain Section American Water Works Association (RMSAWWA) Joint Student Conference provides undergraduate and graduate students an opportunity to present their research on water and wastewater-related topics to a diverse and professional audience.

Student presentations will be on research efforts such as laboratory studies, field work, class projects, and system/modeling that are related to topics such as water/wastewater treatment, process design and optimization, distribution systems, water quality, water reuse, membrane processes, and groundwater remediation.

This conference also provides an excellent opportunity for students and other professionals to build relationships with practicing engineers, academics, manufacturers, utility operators, and other students from around the region.

Conference Highlights

- ✓ Student poster presentations
- ✓ Breakfast, catered lunch, and dessert social

Benefits of Exhibiting

- ✓ Learn about current academic research
- ✓ Network with university faculty and other professionals
- ✓ Recruit outstanding students
- ✓ Advertise your services to a target audience

Details

- ✓ The Hellems building opens at 8:00 a.m.
- ✓ Tables or desk areas will be available to set up on
- ✓ Plan to have your booth set up from 8:30 a.m. to 5:00 p.m., time will be available to set up your booth the evening before at the dessert social
- ✓ Conference attendees will have time during registration, breaks between/after presentations and after lunch to visit your booth
